

New to ketogenic therapy or needing a refresher course and an opportunity to network with other ketogenic teams?

KetoCollege offers both scientific background and practical training in all aspects of implementation of the different ketogenic therapies. Led by recognised ketogenic diet experts, it will include presentations, workshops and time for networking and group discussions.

**THURSDAY 30<sup>TH</sup> AND FRIDAY 31<sup>ST</sup> MARCH 2017**  
**MELBOURNE CONVENTION CENTRE, MELBOURNE, AUSTRALIA**

### DAY ONE – THURSDAY

Day 1 is specifically designed for dietitians, nurses and support teams and includes workshops on the practical implementation of both traditional and modified ketogenic therapies, supported by cookery demonstrations and case studies.

### DAY TWO – FRIDAY

Day 2 is for all health professionals working with or interested in ketogenic therapy, including paediatric neurologists and other medical doctors, dietitians and nurses.

**COURSE LEADERS: PROFESSOR INGRID SCHEFFER & ELIZABETH NEAL, RD**
